CITIZEN NOTIFICATION SYSTEM
CONTACT INFORMATION

The City of Eminence has a new emergency mass notification provider.

To ensure you are included in the new CodeRED database, please visit the **City of Eminence's** web site at · www.eminencekentucky.com and register your information under the CodeRed icon.

As a new feature, the **City of Eminence** will also send notifications to CodeRED Mobile Alert app subscribers. This is a free app for IPhone and Android users. The Mobile Alert app provides users geo-based public safety alerts that impact them at their <u>current location.</u> The app provides an additional method for the **City of Eminence** to communicate messages to not only local residents, but also to those traveling through the area.

We certainly encourage and recommend that you go to our website to add your information, but if for any reason you are unable to do so and would like for us to take care of this for you, please provide us with the following information.
